

Reference letter

NorthgateArinso Company is a leading global Human Resources (HR) services provider offering innovative HR business solutions through HR Technology, HR Outsourcing (HRO/HR BPO), and HR Consulting.

We help HR executives optimize their HR service delivery through smarter process and more efficient technology, supporting key HR areas like workforce administration, multi-country payroll, recruitment, learning, self-service, and any talent management process.

EVOLA Company was invited for the localization project of environment and health safety in 'Enel OGK-5' Company; and became our reliable partner for this project.

We would like to thank EVOLA's team for their participating and readiness to implement localization project and recommend this company as a responsible executor with high highly skilled consultants. Also we would like to mention Ekaterina Matrosova for her thorough experience in Environment and Health Safety area.

Throughout the period of project fulfillment the EVOLA Company has proved as the steady enterprise and the trusted business partner. Due to main principle of work of the company - to formation of partner relations with the clients, based on mutual cooperation and professionalism, it occupies, in our opinion, stable position in sphere of IT-consulting services.

Work distinctive feature of EVOLA Company is efficiency and high organization of employees of the organization, readiness quickly to react to circumstances.

Proceeding from the aforesaid, NorthgateArinso Company would like to note high potential of EVOLA Company, aiming at the further successful development and prosperity.

We are very pleased to work with such expert EVOLA's team and looking forward to cooperate with them on another projects.
